

## **PCI Compliance Policy**

Payment Card Industry (PCI) Data Security Standards (DSS) is a set of security standards designed to protect sensitive cardholder data.

MVSHRM adheres to PCI DSS to protect member and donor data. We are PCI compliant through Security Metrics. <https://www.securitymetrics.com/>

## **Security Measures:**

With regular scans of our network and using secure payment forms your financial transactions are securely handled. Your security matters and industry-standard encryption protects your information.

Access to cardholder data is based on a need-to-know basis by authorized personnel of MVSHRM and our payment gateway, StarChapter/StarPay under parent company Full Steam.
